Re: United States v. Braden John Karony et al.
Criminal Docket No. 23-433 (ERK)

Dear Judge Komitee:

The government writes to respectfully request that the attached proposed stipulation concerning discovery materials be so ordered by the Court. Certain discovery materials that the government intends to produce to the defendant will contain personal identifying information for individuals and other sensitive information. The enclosed proposed stipulation will minimize the risk that sensitive identifying material will be disclosed to individuals other than the defendant, his counsel and their legal staff. The defendant has consented to entry of the enclosed proposed order. Accordingly, the government respectfully requests, with the consent of the defendant Braden John Karony, that the Court enter the enclosed proposed protective order.

Respectfully submitted,

BREON PEACE
United States Attorney
